## Changes within Kibion

Under the new ownership, the focus of Kibion is to further strengthen the commercial capabilities through investments on key markets by a new strategic commercial plan. Within this plan, new recruitments are now boarding Kibion the coming weeks and months.

*To support Kibion's commercial capabilities, we welcome **Ola Holmlund** as new Head of Sales at Kibion!*

Ola has over 20 years hands on experience within life science of international sales and marketing from managing distributor partners in over 50 countries. Ola will contribute with critical experience in supporting partners globally.

*To support the QA & Regulatory team to enable increased market support, we welcome **Catarina Högberg** as new Quality and Regulatory Specialist!*

Catarina has extensive experience from different pharmaceutical companies as Quality Coordinator and Laboratory Engineer. We are confident that Catarina will bring necessary competence to support our partners.

Anna Karlsson, managing regulatory for pharmaceuticals, has left Kibion to take on a carrier outside the company and we wish Anna great success.

*In November we welcome **Linda Wählström** as new Manager for Regulatory Affairs pharmaceutical.*

Linda brings several years of experience as Regulatory Affairs Officer from different pharmaceutical companies.

For any questions, don't hesitate to get in contact with us at Kibion!

Best regards
